

HOSTING A COURSE

What we require:

1. Indoor location - arena, barn, shelter - we can teach in just about any size area, but do need a place to get out of the elements.
2. Area for the powerpoint portion of the course - coffee room, classroom, viewing area or corner of the barn - we require an area to plug in our powerpoint projector, and for students to be able to sit down - chairs or hay bales will do! If this is not available, we can provide the slides in handout format.
3. Equines! We will work with your horses - any age, any breed, any size. We require 1 horse for every 4 students (20 students per class on average but can work with a group of up to 40 if there is adequate space and horses). We do ask that you choose horses that will prove safe to work with for the students, recognizing that horses are living, breathing, reacting animals.
4. A non-refundable deposit of \$150.00 is required to hold the date. This will be deducted from the final balance or applied to one enrollment. An invoice for the deposit will be sent separately.

The final balance of \$149.00 per person is due 7 days prior to the course date, as well as a list of attendees (for certificates and course materials). We accept Visa, MC, AMEX, etransfer and money order. Registrations may be transferred from one person to another.

What we provide:

1. An Equi-Health Canada / Equi-First Aid USA LLC certified instructor. All instructors have extensive equine backgrounds and are highly experienced in equine emergency first aid.
2. All learning materials - demo legs, wound gel, bandages, vet wrap, weight tape, thermometers, sprayers, stethoscopes, etc.
3. Certificates of completion for all attendees.
4. First aid manuals for all attendees.
5. Normal vs. Abnormal charts for all attendees.
6. Course listing on website (where appropriate for public courses)
